Safety should be your number one priority!

PRE-SEASON TUNE-UP SPECIAL

The Big "S" in our Sales is

It's hard to believe that the holidays have already come and gone. All that worry, anxiety and preparation for such a short time.

Before you know it, Spring will be here and *Do-Cut* is help.

Do-Cut is now offering, **free pick-up and delivery** on any equipment purchased from us; during our annual pre-season tune-up. Save up to \$90.00 during this limited time offer.

Why not have **all** your equipment picked up, serviced and delivered at one time. We will bring your equipment into our repair shops and our expert technicians will get it ready for the next mowing season.

Our Winter Service Special includes not only **free pick up and delivery**, but also an 18 point inspection.

1. Check engine compression.
2. Check ignition output.
3. Clean and adjust the carburetor.
