WHY DO WE CELEBRATE ?

In 1537 St. Valentine's Day was declared an official holiday. Ancient Romans celebrated the Feast of Lupercalia on February 14th, in honor of Queen Juno, and on the next day women would write love letters & put them in a large urn. The men would pick a letter from the urn and for the next year pursue the woman who wrote the chosen letter. This custom lasted until the 1700s when people decided their beloveds should be chosen by sight, not luck!
