If you are planning to wash lawn furniture, siding, sidewalks, decks, cars, bikes, or anything that's washable!

*Do-Cut* has the pressure washer for you, in stock.

Electric pressure washers are great for small, light duty jobs and Karcher is the favorite for most homeowners.

Bigger jobs require more power and MI-T-M can provide that power. Gas models feature Honda and Briggs engines, hi-pressure hoses, direct drive piston pumps and easy to use spray guns with interchangeable nozzles. **6 months Same As Cash is always available!**

Do you drive around those exclusive neighborhoods and wonder how those lawns look so neat and trimmed?

A McLane edger to the rescue—several models to choose from, easy to use and get those professional results in no time.

#### G-OIL NO SMOKE, NO SMELL

A Do-Cut exclusive!

This unique oil is great for any 2-cycle air cooled engine. Made in America! From American beef tallow. G-Oil is designed to provide superior performance while reducing our dependence on foreign oil (imagine that)! Available at both locations!
