DON'T BE BUGGED!

Just in time for the hot weather **Do-Cut** is offering a great deal on the **Mosquito Magnet**.

This revolutionary product is actually proven protection for Mosquitoes and other biting insects. It works by expelling carbon dioxide, just like we do, when we exhale, and the insects are attracted to this invisible gas.

The **Defender, Model 4000MM**, is 110 Volt, with a 50 foot cord, and an LP tank is required. This unit will protect up to 1/2 Acre from mosquitoes and biting insects.

Save \$130.00, **Do-Cut** has it on special for only \$199.99. Quantities limited so hurry in today to get yours!

CAMPING?

Honda EU generators are just what you need. These portable power units are not only very quiet, but very necessary for the great out-door camper.

Lightweight, portable power up to 3000 watts.

Parallel kits let you double the power of an two identical EU-series generators.

From \$699.99 to \$1799.99.
